 News and events inside Capitol Broadcasting Co. from Jim Goodman, President

The generosity of Capitol Broadcasting Company staff was overwhelmingly demonstrated by their response in contributing to the two needy families at Christmas time. Those who had the privilege of delivering these gifts can testify that the families were deserving of our support. The mothers and children were most grateful and were profuse with their thanks and tears of joy for your generosity.

It is hoped that your Christmas was more meaningful and brought more personal pleasure because of your unselfish giving. Many thanks from two grateful families.

And many thanks to JD Lewis, K Seavey, Jeanie Morrison, Mike Edwards, Ann LeCount, Pat Smith and Dan Hart for coordinating the collection of gifts.

ATTENTION EVERYONE !!!!!!!!

Once every 7 years, the New Year begins on a Monday, and when that
phenomenon occurs our accounting department wants to start its
pay year on that date. So we will begin our 1979 pay year on
January 1, 1979. In order to do this, we must pay you for the
last week of 1978 in a one-week paycheck. (We call it the 53rd
week). This one-week's paycheck will be for the week ending
December 31 and you will receive it on January 4. January 1, 1979
will begin the first pay period of the year and it will end on
January 14. As usual, your check will be issued 4 days later,
January 18th. GOT IT???????
