PONY CONTEST

A Garner youth, Clark Hinton, is shown as he was presented with a Shetland pony as the first prize winner in the Cap'n 5 Spotluck contest. Clark's was one of a number of entries picked for the final contest. Cap'n 5 used thousands of photographs sent in by viewers and picked a number of them, at random, from a large rotating drum. The excited youngster prevailed upon his parents to carry the pony home in the back seat of the car, not wanting to wait for delivery the next day.
