RALEIGH, N.C.

VOLUME 5 NUMBER 3

MARCH, 1962

CHANNEL FIVE ON THE MOVE

Remote telecast originations are becoming a regular routine on WRAL-Television. During the football season Channel 5 originated (and carried) two football games for an ABC-TV regional network. There were several originations from the State College Coliseum for the Everette Case Show, and two swim meets were telecast from the N. C. State College Natatorium. This week the remote crew journeys to Winston-Salem where they will originate a nationwide network telecast of a bowling tournament. ▲

REEVE WINS AWARD

Channel 5 Sports Director, Ray Reeve, was awarded the Sportscasters' Award at a recent meeting of the Raleigh chapter of the Hot Stove League, an organization made up of baseball enthusiasts. ▲
