CITIZENSHIP AWARDS

The A. J. Fletcher Educational & Opera Foundation, in cooperation with WRAL-TV, this past spring recognized a number of outstanding high school seniors in the station's service area by the presentation of Citizenship awards.

The recipients, selected by their school's faculty committee, each received a check to further their education and an engraved plaque. They were judged on the basis of scholarship, leadership, participation in school, church and community affairs, and appreciation of the Free Enterprise System in America.

Shown above left is Wally Voigt, Vice President of Capitol Broadcasting Co., Inc., making the presentation to Miss Marianne Odessa Jones, Princeton High School; and at the right is Vice President, Aubrey Moore, making the presentation to Miss Camille Fleming Rogers, of South Granville High School.

BASEBALLERS ENJOY PICNIC

WRAL-TV sponsored baseball teams from Raleigh, Fayetteville, Goldsboro and Mebane, gathered at the station on September 7 for a picnic. The youthful athletes, with their parents, put away a healthy amount of fried chicken and barbeque, toured the studios, and heard a humorous talk by Bill Currie, well known sportscaster who is now with KDKA-TV, Pittsburgh. Currie enjoyed a reunion with his one-time broadcasting partner, Ray Reeve, who attended the affair. WRAL-TV also sponsors youth teams in Rocky Mount and Durham.
